

Session Program

5 February 2026 to 5 March 2026

Foundations of Research Data Management for GIS
Session

Thursday 5 February

16:00

17:30

Session: 1

Session

16:00–16:30

Introductions and Course Setup

16:30–17:30

GIS Basics

Thursday 12 February

16:00

17:30

Session: 2

Session

16:00–17:30

Applying RDM to GIS

Thursday 19 February

16:00

17:30

Session: 3

Session

16:00–17:30

FAIR principles and GIS

Thursday 26 February

16:00

17:30

Session: 4

Session

16:00–17:30

Collaboration and sharing GIS

Thursday 5 March

16:00
17:30

Session: 5	
Session	
16:00-17:00	Existing tools and applications
17:00-17:30	Course Wrap Up
